PROFESSIONAL SUMMARY

Computer Science Engineering student with hands-on experience in Software Engineering, Full Stack Development, and Backend Development using React.js, Node.js, Express.js, SQL, MongoDB, PostgreSQL, and Prisma. Passionate about building scalable web applications, REST APIs, and AI-powered solutions. Strong foundation in Data Structures, problem solving, and team collaboration with a commitment to continuous learning.

TECHNICAL SKILLS

Languages: Java, JavaScript, Python, SQL

Frontend: HTML5, CSS3, React.js

Backend: Node.js, Express.js

Databases: MySQL, MongoDB, SQLite, PostgreSQL

Tools: Git, GitHub, VS Code, Postman, Prisma

Concepts: DBMS, OOP, Operating Systems, Computer Networks, REST APIs, Authentication, Data Structures, Algorithms

EDUCATION

B.Tech in Computer Science Engineering

Malla Reddy Vishwa Vidyapeeth – Technical Campus (2025–2029)

CGPA: 8.33/10

PROJECTS

LifeLink AI

- Developed a universal emergency and health intelligence platform using React, Node.js, Express.js, PostgreSQL, Prisma, and Socket.IO.
- Implemented secure authentication and role-based access.
- Enabled real-time communication for emergency response workflows.
- Designed a scalable backend with REST APIs and database integration.

Learning Dashboard

- Built a responsive dashboard using Next.js, TypeScript, Tailwind CSS, Supabase, and Framer Motion.
- Created reusable components for maintainable architecture.
- Improved user experience with modern responsive UI.
- Optimized application performance and code organization.

EAMCET Daily

- Developed a responsive educational website using HTML, CSS, and JavaScript.
- Organized study resources with intuitive navigation.
- Focused on accessibility and clean UI.

She Can Foundation Website

- Designed a responsive website for a social initiative.
- Built interactive pages using HTML, CSS, and JavaScript.
- Enhanced usability with mobile-friendly layouts.

INTERNSHIP EXPERIENCE

Content Writer Intern – InAmigos Foundation (29 May 2026 – 11 June 2026)

- Created professional articles and social impact content.
- Published LinkedIn posts and collaborated with team members.
- Researched, edited, and delivered content within deadlines.
- Strengthened communication, teamwork, and professional writing skills.

CERTIFICATIONS

- HackerRank CSS (Basic)
- AI & ML Industry Preparedness Internship
- AI & ML Course Completion Certificate
- Content Writing Internship Completion Certificate

ACHIEVEMENTS

- National Level 48-Hour Hackathon Participant
- Consistent Academic Performance (CGPA: 8.33)
- Active GitHub Contributor
- Continuous Learning in Full Stack Development

CODING PROFILES

GitHub | LinkedIn | LeetCode | HackerRank

SOFT SKILLS

Problem Solving • Teamwork • Communication • Leadership • Adaptability • Critical Thinking • Time Management • Quick Learning
